

OTG Reusable Box Waiver

In order to participate in the OTG reusable take-out box program participants agree to follow the rules for proper use and care of the take-out boxes.

Proper usage

- I agree to self-identify to the checker **prior** to swiping card that I am planning on getting a reusable to go box instead of dining in.
- I will turn in my carabiner at the serving line go to where I will get my one entrée. Pizza and other self-serve items can be added as long as the green box can close. I understand one piece of fruit or one dessert item may be taken outside my container.
- I will exit within the 10 min time allotment given to collect food.
- I agree to not eat out of the reusable box or refill this box while in the dining room.

Proper care

- I agree to eat my meal or refrigerate it with 2 hours.
- I agree to wipe out food into a waste receptacle then rinse my green box prior to returning it to the dining center.
- I agree to not wash food particles down any housing and dining sinks or drains.
- I agree to turn in my green box promptly to minimize microbial growth and help keep clean green box inventory available. I understand my box will be visually inspected for misuse when turned into checker.
- I will be given a carabiner to use for a future green box meal.

Replacement

- I understand that turning in a damaged or dirty green box containing food debris or mold (that will take more than a reasonable amount of time to try to clean) will result in a \$10.00 green box replacement charge to continue participation in the program. I also understand the charge for replacement of my lost carabiner will be \$5.00

Violations of this policy may result in being charged full cash price for a second meal if observed getting two meals on one card swipe or eating out of a green box while in the dining room. The incident will be forwarded to Student Living Staff as a conduct violation. Repeated offenses will result in my future access to the OTG reusable take-out box service being cancelled.

I have read and agree to abide by The Rules for Proper Usage & Care for the reusable take out box. I understand the consequence of not adhering to these rules.
